

SOTTO Pizza is looking for:

An experienced PIZZAIOLO

At SOTTO Pizza we are specialized in authentic Neapolitan pizza. Our pizzas are baked in a woodfired oven (forno a legna). We only use first class ingredients for our pizzas.

At the moment we are looking for an experienced pizzaiolo who can work and had worked with a woodfired oven.

If you are the pizzaiolo that we are looking for then you are fast and accurate.

We offer you a good work environment and opportunity to grow.
